APPLICATION INFORMATION

Thank you for visiting the website of the NLC office in Chicago, IL!

Are you looking for one of the following multistate / compact license applications?

- License by Exam (new graduates seeking to take NCLEX)
- License by Endorsement (when you need a license in another state; “transferring your license”)
- Renewal
- Upgrade/convert a single state license into a multistate / compact license
- License for graduates of a foreign nursing program

All of the above applications are on the website of your state board of nursing (BON). There are no applications on this website. If you cannot find the application on the BON website or have questions about completion of the application, you must contact that state board of nursing. [Contact information for all state boards of nursing.](#)

Do you have questions related to:

- The status of the application you submitted (they are processed at your state board of nursing),
- Application fees,
- Continuing education (CE) hours or
- Criminal background check (CBC), including past criminal history or disciplinary action?

These questions must be directed to your state board of nursing. [Contact information for all state boards of nursing.](#)
