Survey Terminology

In this survey, the words **Complaint** and **Case** are used, those terms are defined below:

Complaint: An allegation received by the Board of Nursing related to a specific licensee.

Case: A complaint that rises to the Board of Nursing threshold that a violation of the Nurse Practice Act may have occurred and merits investigation/collection of evidence.

The following terms are used throughout all surveys:

Board of Nursing: Jurisdiction's governmental agency responsible for the regulation of nursing practice. Includes any other terminology to refer to the regulatory authority (i.e., commission, examiners, registration, jurisdiction). When referring to Board of Nursing, the reference collectively includes Board Members, Executive Officer and Staff.

Jurisdiction: Refers to state, territory or district where a Board of Nursing is located. May also be used to refer generally to the Board of Nursing in a particular jurisdiction.

Board Staff: Staff of the Board of Nursing

Executive Officer: Person responsible for running the Board of Nursing. Includes any other terminology to refer to that authorized person (i.e., Executive Director)

Board Member: Member of the governing body of the Board of Nursing as outlined by statute

Practical nurse or PN: Licensed practical or vocational nurse (LPN/LVN)
