**MICHELLE KNOWLES**,  
LEADERSHIP STRATEGY TEAM  
KAPN

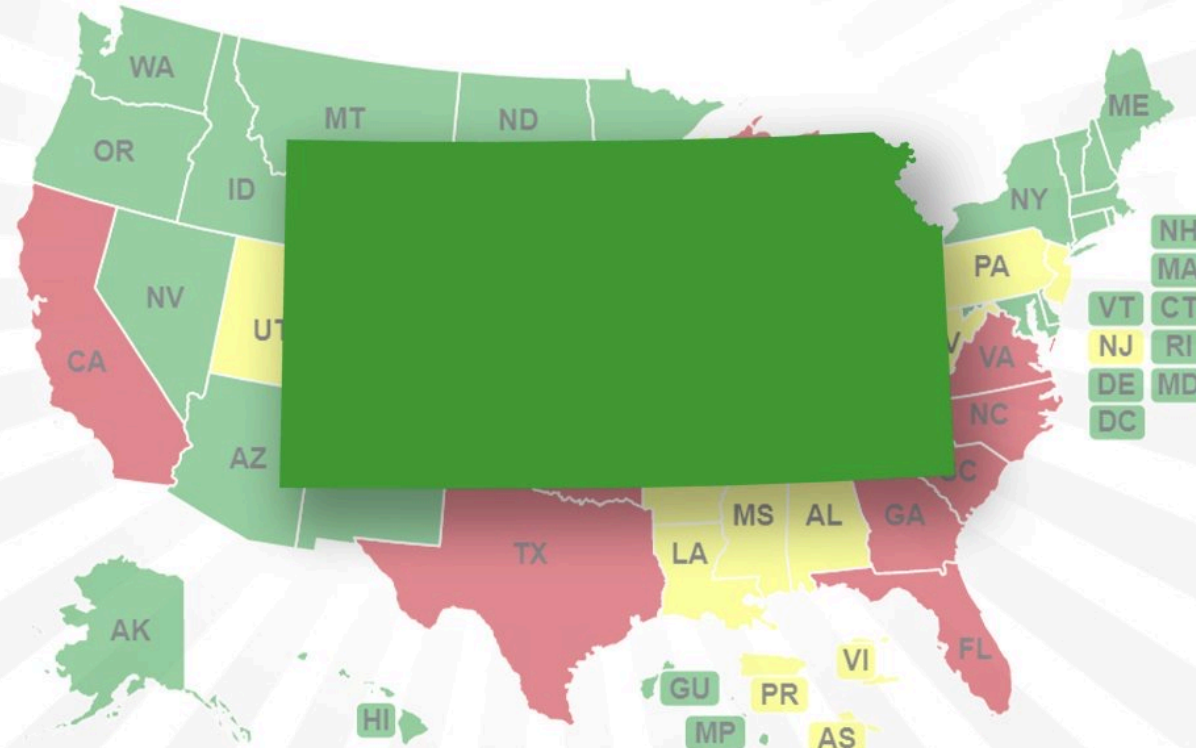

## House Bill 2279

- Requires national certification for new licensees
- Requires APRNs to hold medical malpractice coverage
- Removed collaborative practice agreement required for APRNs to practice in the state

# Congratulations, Kansas!

Full Practice Authority for NPs in 26 states, D.C. and two U.S. territories gives patients full and direct access to NP-delivered care.
