

LIVING YOUR BEST LIFE: TURNING CHALLENGES INTO TRIUMPHS

Global Regulatory Atlas

Tim Arehart & Jen Kohl

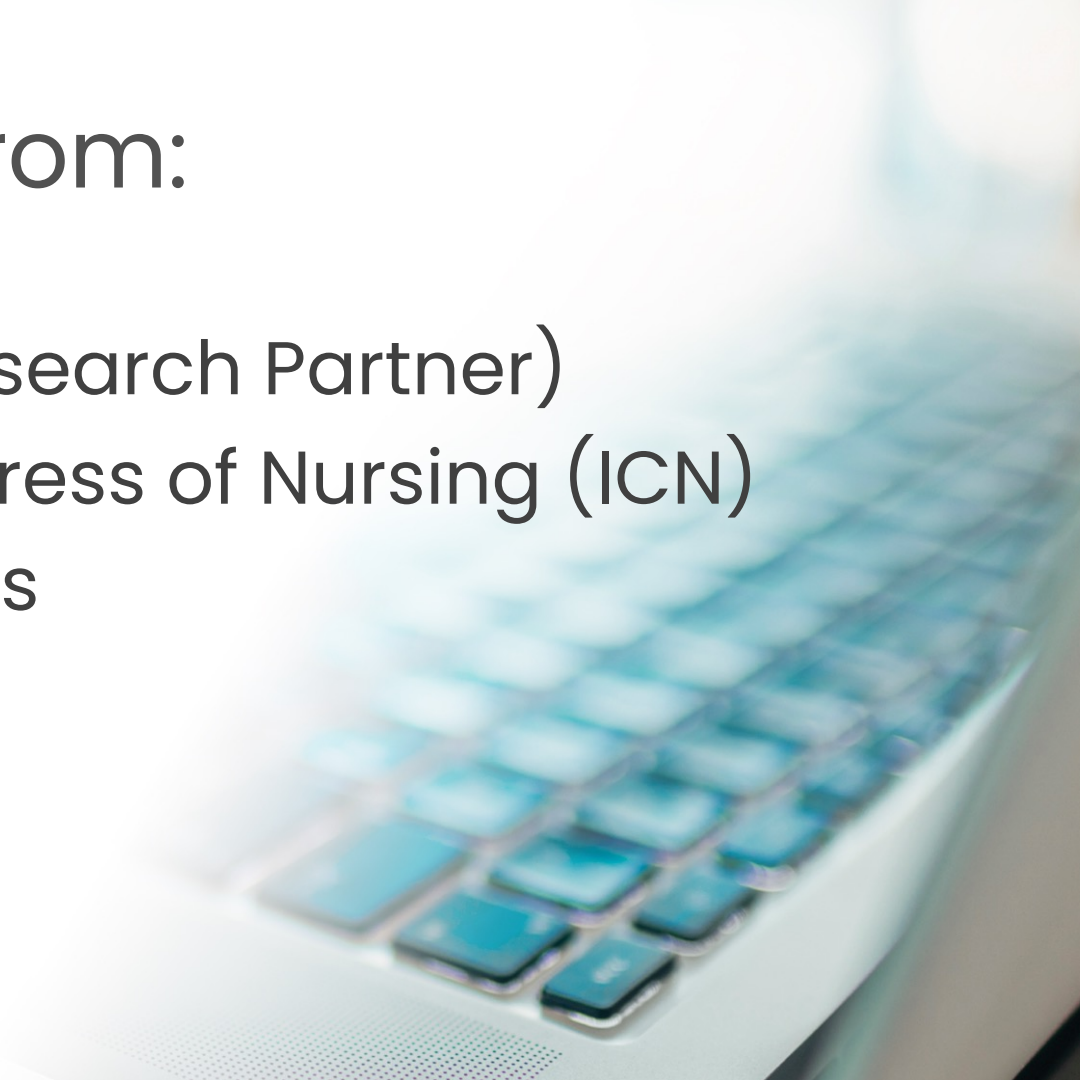

NCSBN's Global Regulatory Atlas

A searchable online database tool, free to all, that provides a cohesive, synthesized profile of nursing regulation, education, accreditation, and nursing data metrics for nearly every country around the world.

Data Procured from:

- WHO Contacts (Research Partner)
- International Congress of Nursing (ICN)
- Consulate Contacts
- NCSBN Contacts

Encompasses Six Key Components

Contact
