

The Role of Boards of Nursing - Video Transcript

©2010 National Council of State Boards of Nursing, Inc.

More info: ncsbn.org

You trust nurses to care for you.

We work together to maintain... the quality care we are proud to provide.

Boards of Nursing protect the public by licensing qualified nurses to provide your care.

Visit ncsbn.org to learn on how to check nurse's license.

Download Patient safety resources.

Or file a complaint in your state.

We care about the nursing profession and we care about you.

Visit ncsbn.org to learn more.
